PRODUCT WARRANTY

Company provides warranty that the product is free from any manufacturing defects and is suitable to use for normal and usual purpose. In case of any visual defects, the product should not be used, cut, or altered in any manner. Company liability will be limited to the extent the cost of product only. The colour/shade may vary from lot to lot. do inspect properly before using the product. Company will not entertain any claim if the product is cut or altered in any manner for any visual or appearance, shade change/difference.

Our standard Decorative Laminates are COLD PRESS GRADE LAMINATES, Which are recommended for cold pressing only. Company will not entertain any claim of quality if the Laminates are pressed in HOT PRESS. HOT PRESSED GRADE laminates are available against Special Order.

"Formation of Air Bubbles and forming of Corner Cracks are application fault, Company do not entertain these complains"

PRODUCT CARE & MAINTENANCE

For cleaning surface of the laminates, use dry cloth to wipe the stains. If needed ordinary liquid detergent (non-acidic) or ammoniated liquid can be used. After taking a trial on small portion Stain remover or industrial organic solvent can be used to remove stubborn stains in case if there is no problem. One should not use, wire or hard-plastic brushes, and abrasives to clean the surface.

Since, conventional laminates are made for interior decorations, should not be used for external use where there are chances for direct exposure to sunlight or any other sort of direct heat.

It is always recommended to keep the substrate horizontal while pasting the laminates. Immediate removal of pressure and vertical application should not be practiced. Samples pasted in the folder represent the finish & design and not the actual thickness.

PRODUCTION TECHNICAL DATA & SPECIFICATION

Type : Convectional cold press grade laminate for Interior Furniture application

Range : GRANDEUR -1MM/(± 10% As per ISI Standard) (Other thickness available on request)

Size : 1220mmx2440mm (8'x4')

Product : Comprising to British European Standard: BS EN 438 American NEMA LD 3 BIS (Bureau of Indian Standard) Standard : IS: 2046 BIS (Bureau of Indian Standard) IS: 2036 Grade PI Phenolic/Electronic Insulatio ISO 4586
